# ABOUT US

- ▶ Sino Soft is a Nairobi-based IT company offering affordable web design, development, and hosting services. Established in 2015, we specialize in creating modern, user-focused websites for individuals, small businesses, and corporations. As a domain seller and KENIC-accredited hosting provider, we offer cost-effective web hosting solutions tailored to your needs.

▶ Additionally, we promote your products/services for free on our busy classifieds portal.

Our holistic approach to branding connects businesses with their audiences, transforming brand loyalty into advocacy.

# OUR MISSION, VISION AND VALUE

## Mission

To let the world, know  
about your  
Service/Product.

## Vision

Reach.World

## Value

At Sino Soft, we glorify God by serving the  
world through domain registration, hosting,  
SSL, web-mail, SEO, and digital marketing  
services.

# PROJECTS

Web design isn't just about creating an aesthetically pleasing website; it's also about understanding the psychology behind user behavior.

“

I loved their work and customer service! I was well informed of all the processes throughout the website development! The team also gave me valuable insight and advice.

And eventually the end product was simply amazing and top notch quality! 🙌🙌🙌 I would highly recommend their services! Thank you Sino Soft!
